To,

Subject: Pre Indent Conference for Procurement of "Single Crystal X-ray Diffractometer with liquid nitrogen attachment for low temperature data collection"

Dear Sir,

We are interested to procure **Single Crystal X-ray Diffractometer with liquid nitrogen attachment for low temperature data collection**. In this regard a pre-Indent discussion meeting has been fixed on 15th September 2017 at 11:45 am in the Main Conference Room of this institute. All the interested manufacturers/Indian agents who deals in such type of items are invited for making their presentation etc., under the intimation to the undersigned. More details about the pre-indent meeting are found at www.csmcri.res.in

PREINDENT CONFERENCE

CSIR Central Salt and Marine Chemicals Research Institute, Bhavnagar, Gujarat, India (CSIR-CSMCRI) is one of the network laboratories of Council of Scientific and Industrial Research.

CSIR-CSMCRI is interested in procurement of Single Crystal X-ray Diffractometer with liquid nitrogen attachment for low temperature data collection

The floor mounted Single Crystal X-ray Diffractometer system equipped with low temperature device capable of accurate determination of molecular structures (organic, inorganic, MO coordination compounds etc.) of single crystalline material is required. The equipment should offer flexibility to study extremely small and/or weakly diffracting crystals, with additional complexities in terms of twinning, disorder etc. and with quick data collection strategy. The system offered should be equipped with low temperature accessories/attachments, which can provide X-ray data collection at variable temperatures ranging from room temperature to liquid nitrogen temperature. Compatible licensed hardware and software starting from mounting of crystal to crystallographic data file generation should be supplied along with the equipment.

In this regard, a Pre-Indent Conference is arranged as per details given below:

DATE	TIME	VENUE
15 th September 2017	11:45am	CSIRCSMCRI Bhavnagar

Prospective bidders Indian / Foreign manufacturers or their authorized agents having experience in Supplying, Commissioning & Maintenance of the above are invited to give the presentation of their products, followed by discussion on equipment's suggested, client list and credentials to finalize the specifications.

Prospective bidders are requested to bring documents to prove their technical capabilities, client list, financial capabilities, experience and credentials. Bidders interested in taking part in the Pre-Indent Conference are requested to confirm their participation by sending e-mail to esuresh@csmcri.res.in, purchase.import@csmcri.res.in, spo@csmcri.res.in latest by 14/09/2017
